THE BIG STORE. THE BEE HIVE THE BIG STORE.

All UNDER ONE ROOF

The convenience of having a Big Store like The Bee Hive to deal at in extreme winter weather like we are now having was proven yesterday by the crowds coming here, for they all knew that whatever gift they intended buying for either man, woman or child could be found under one roof at The Bee Hive. A gentleman from Cincinnati remarked yesterday: "I don't want to make you feel bad, but I have to say that there were more people in your store than all the other stores in town together." He was surprised.

He didn't know that this was The People's Store.
He didn't know what we sell for 25c others ask as high as \$1 at Xmas time.
He didn't know that we give money back if purchase isn't satisfactory.
He didn't know we sold nice books for 15c.
He didn't know we take pleasure in pleasing.
He didn't know that the 25c table was the talk of the town.
He didn't know that we had a doll room for the little folks.
He didn't know that we carry 12,000 handkerchiefs for Xmas sale.
He didn't know that you could get an aluminum cigar case for 25c.
He didn't know that you could get a beautiful pin tray for 10c.

—IN FACT—

He didn't know, like you all know, The Bee Hive was FOR the people, OF the people and BY the people at all times and at Christmas times.
